

Product Range

At Miles we create a great tasting, high quality collection of tea and coffee blends and, not forgetting, our award-winning Heavenly Hot Chocolate for people to savour and enjoy. With a variety of over 35 blends of tea and more than 15 different coffee roasts, there's something to suit every taste bud at any time of day.

Whichever products you choose, you and your customers will be immersed in West Country sunshine with every sip of Miles' fine teas, coffee roasts and warming hot chocolate.
